## Programme 16AA: accredited for 3 CPE hours

- Aspects of Spanish Law of Interest to Notarial Clients
- Aspects of French Law of Interest to Notarial Clients
- Drafting notarial certificates for unusual transactions
- Notarising documents in connection copyright and with trade mark infringements

Delegates will learn about the similarities between these countries and how their notarial stems are different from ours in England and Wales. Inevitably the most common document you may be asked to notarise for use in these countries is a Power of Attorney, quite often this is in connection with the purchase of real estate. We review sample documents and discuss matters arising. We talk about the effect of 'Brussels IV' on tenure.

## Programme 15BB: accredited for 3 CPE hours

- Notaries Now: a snapshot of the profession, the future of legal services regulation and topics of interest to notaries.
